

“Sour”: A sweet or bitter album? You tell me.

“drivers license.” “good 4 u.” “happier.” Sound familiar? Well, these songs are part of an album that was a summer sensation: “Sour” by Olivia Rodrigo.

“I really like the album and how it has a variety of song styles...”

“I’ll never get tired of this album...”

“I can appreciate the creativity behind her music videos.”

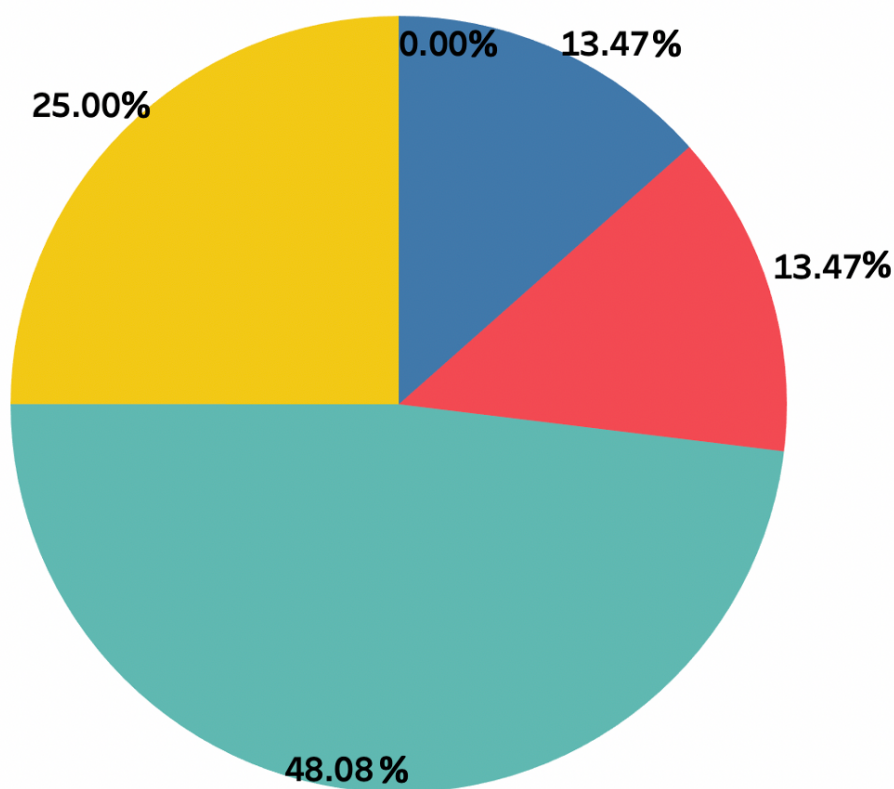

“Very, very overplayed.”

“Pretty overrated...”

“Great album to cry to...”

On a scale of 1-5, what would you rate the album?

- One (Overrated!)
- Two (Not the biggest fan...)
- Three (Liked it!)
- Four (Loved it!)
- Five (Obsessed!)

Almost 50% of respondents rated the album a 4 out 5, meaning that they LOVED IT!

About the Survey

Over 50 teenage students from the Early College at Guilford and Guilford College responded to an anonymous survey about the album “Sour.” The survey asked respondents to rate the album on a scale of one through five, list their most favorite and least favorite songs from the album, and provide overall opinions about the album.
